This is a sample of the projects presented in this contest which aims to distinguish the most significant works that have been built in the 2021-2022 biennium in the territorial scope of the Demarcation (Alt Camp counties, the Baix Camp, Baix Penedès, Conca de Barberà, Priorat and Tarragonès).

This exhibition, conceived as an open system with the capacity to adopt various geometries and adapt to different spaces, shows six audiovisuals that respond to each of the categories of the Biennale.

This year, of the 46 works entered in this Exhibition, the jury has decided to select 15, of which 9 have gone on to the next phase as finalist works. Finally, the jury has decided to award 6 works as winners and 1 of them has simultaneously received the seventh Alejandro de la Sota Award.
